Prizes wanted!

Awarding prizes to bowlers and supporters is a hallmark of PHWC's Bowlathon. Prizes are given to top donors and the best bowlers, but also are awarded randomly and with a raffle during the event.

Prizes and gift certificates help support the clinic and give your business publicity at the same time. All donors will be recognized on a display board in the Twin City lobby and announced during the event.

It's easy to make a prize donation. You can directly give the prize or gift certificate to a PHWC volunteer or you can fill out a printed or online prize donation form and let the clinic know when and where it can be picked up.

Typical prize donations have monetary values of between \$10 and \$1,000.
